From A Family of Comfort.

Each year millions of people will develop foot complications due to health problems. Properly fitted shoes, socks, inserts and compression wear are essential for reducing these risks. Dr. Comfort shoes are made from the finest leathers and are scientifically designed for various foot complications. Our footwear is extra depth with patented footbeds, our socks and compression wear are created by leading designers with attention to detail and our uniquely patented inserts are comfortable, beyond the "norm". Wellness is our business and our market, we care and pay attention to detail, with new products being developed all the time. Call now to experience exceptional quality and profitability with the finest "Total System" for your professional practice.
