

LimbLogic™ VS

Secure vacuum suspension

Stacie Broseus foster mother | daughter | trail rider | trainer | businesswoman | amputee

Secure, reliable suspension allows amputees like Stacie to live life to the fullest. With the advanced vacuum suction technology of the LimbLogic VS, her prosthesis remains safely in place.

The system's 'set & forget' technology continually monitors the vacuum within a socket, so security is never an issue. Featuring remote-control operation, adjustable vacuum level, a water-resistant controller, and a quiet motor, LimbLogic VS provides superior vacuum suspension in a compact unit.
