

The Gold Standard Goes Platinum

You're going
to love this!

ABC is making
all certification
exams more
readily
available.

Beginning January 2013
all Written and Written
Simulation exams will be
given every other month,
and the Clinical Patient
Management exams will be
given three times a year. In
addition, candidates for the
Practitioner Certification
exams will have 30 days after
the application deadline to
complete their residency
requirements.

For more information on
exam dates and application
deadlines go to abcop.org.
