

# Orthotics Technology Forum

2013

An event for the discussion of digital technology

May 29<sup>th</sup> - 31<sup>st</sup>, 2013

Georgia Institute of Technology  
Atlanta, Georgia

Georgia Tech

## Event Overview

The 2013 Orthotic Technology Forum (OTF) will take place at Georgia Tech from May 29<sup>th</sup> to May 31<sup>st</sup> 2013. Past events have attracted over 100 delegates from 13 different countries, offering a worldwide spectrum of what is emerging in digital technology today.

## Who Should Attend?

Anyone interested in improving the efficiency and profitability of their laboratory or medical clinic.

## Why Should I Attend?

This event is focused on existing and emerging technologies related to the O&P market. As an educational event, its intent is to expose you to a number of technologies from a variety of organizations, all committed to improving the human condition.

## Agenda

The conference will kick off with an open reception the evening of May 29<sup>th</sup> at 7:00 pm in the Georgia Tech Hotel and Conference Club Room; May 30<sup>th</sup> & May 31<sup>st</sup> will include Program Speakers, Lab Tours, Open Forums and Hands-on Workshops.
