

DeRoyal® Warrior™
Spine Bracing Line

WE'VE GOT YOUR BACK.

The DeRoyal® Warrior™ Spine Bracing line powered by the Boa® Closure System, features powerful closure and compression that is easy for the patient to adjust with the turn of a dial. The enlarged Boa® dials allow micro-adjustability and on-the-fly compression adjustment with greater ease and fewer turns. The DeRoyal® Warrior™ Spine braces are universally sized and feature a patent pending, single pull bi-lateral sizing adjustment that can fit most patients (24" – 60"). With integrated anterior panels and a closure hand strap, the Warrior™ Spine's innovative design allows doctors to quickly, easily, and effectively fit each individual patient, without the hassle and inventory of sized orthoses. The Warrior™ Spine braces come in both off-the-shelf and custom-fitted versions- custom-fitted versions include a moldable posterior panel for individually customized fit and alignment to each patient. Hot/cold temperature therapy packs are also included with each brace. Join the revolution in spinal bracing excellence with the DeRoyal® Warrior™ Spine bracing line powered by the Boa® Closure System.
