

# BOC HELPS YOU

## get back to what matters

Considered the blue ribbon of certification, BOC equips you with nationally recognized, in-demand credentials. Plus, BOC's award-winning staff will support you with one-on-one guidance throughout the certification process and your career.

BOC will be at the AOPA National Assembly.  
Come see us at booth 378 for a chance to win a Kindle Fire!

***We're with you every step of the way.***  
*It's our promise. Every patient. Every certificant. Every day.™*
