

# Don't miss the opportunity to see our latest innovations at the 2015 AOPA National Assembly

Elan takes on a new look  
with added features and benefits.

Live demonstrations of Linx - the  
world's first fully integrated  
microprocessor controlled  
lower limb system.

New waterproof range of feet,  
including the Echelon hydraulic  
ankle/foot and more!

Visit us at booth 125
