

Mini BladeXT

Keep up the pace!

For youngsters, life never stops. An active lifestyle needs to be fully equipped to meet the needs of the most demanding user.

Designed to offer a complete solution, the Mini BladeXT offers outstanding stability, ground compliance and improved comfort through the split toe and traction sole, while its C-shaped toe spring is primed for optimal energy response.

Available in dazzling pink or electric blue, the Mini BladeXT is the ideal choice for children and may be the only foot they need!
