**Experience the  
FRIDDLE'S  
difference!**

Friddle's has added three **new** coloring paper designs to their already extensive design collection! Stop by the Friddle's booth to pick up an updated Coloring Paper, On-The-Spot, and Positive Image posters!

Be sure to stop by the Friddle's booth to learn about our custom engineered braided carbon sockets! This custom fiber braid allows the socket to be **lighter** and **stronger** than conventional carbon sockets.

Friddle's Orthopedic is pleased to announce that we will be fabricating the custom orthosis for the Gomez Orthotic Spine System, "GOSS". Dr. Gomez dedicated much of his career to scoliosis reaseach after learning that his daughter, at 9 months of age, was diagnosed with infantile idiopathic scoliosis. His dedication to this cause has resulted in an industry innovation that will change the lives of thousands of patients.

Friddle's is proud to be the **FIRST**  
ABC accredited Central Fabrication facility!
