

# LIFE like <sup>MEDICARE CODE</sup> L-5973 FUNCTION

**PROPRIO FOOT mimics natural ankle flexion**

Sensing everything from toe off to slopes and stairs, PROPRIO FOOT automatically adjusts ankle flexion, helping to prevent trips and falls.

Now available for user weights up to 275 pounds and sizes 22-30cm.

# like LIFE BETTER

**“I used to fall regularly and get painful sores that would force me to use crutches, but not anymore!”**

*Jim Hill, 64  
Production Controller, US Navy*
