

# Bring Your Own Limits

The new **INFINITE PRO™** provides the control and performance your users need to achieve the level of function they choose. Inspired by your feedback, we've developed the world's first laminated molded socket with a dynamic inner liner offering an integrated, user-adjustable 3-point force control system.

**AOPA National Assembly**  
October 7-10, 2015  
Visit us at booth **#713**
