

Come Together. Get Energized. Push Your Practice to New Heights.

A New, One-of-A-Kind Conference and Training Event for O&P

OPIE Con is the first O&P educational event designed to train ALL areas of a practice in a collaborative, patient-centered manner. The seminars range from a day-long, hands-on training to a 3-day series. You will leave energized with direct action items to provide immediate ROI for your practice!
