

ÖSSUR CUSTOM SOLUTIONS

Your way or the highway

From check and definitive sockets to custom liners, the Össur Custom Solutions team will quickly fulfill your order the way you want it, each and every time.

A scanning and ordering solution for under \$400!

- FREE app for iPad 2 (or later) integrates with commercially available 3D sensor
- Easy scanning and ordering saves hours of labor, and days of time, compared to casting
- Transtibial or transfemoral solutions
