A price you can afford!

PDQ ovens from OTS

- ◆ Heat plastic 300% faster than conventional ovens.
- ◆ Totally enclosed design offers all the benefits of convection ovens... plus the speed and economy of infrared ovens.
- ◆ Rollabout trays provide safe, easy handling of even the largest heated materials.
- ◆ Models designed specifically for bubble-forming, flat plastic, or benchtop applications.

* With approved credit. Payments based on 60 month lease from VGM Financial Services with \$1.00 buyout option.

First payment and \$99.00 doc fee are payable in advance.

Does not include shipping or applicable sales tax. Rates as of 08/03/09. Rates subject to change.
