RX TEXTILES + **SPT Technology, Inc.**
MONROE NORTH CAROLINA

After the acquisition of SPT Technology in 2010, our goal at Rx Textiles was to create one unified company capable of providing customers with a wider range of products and more efficient levels of service.

Today, we are proud to introduce our new company name: Paceline. Everything else – from the high quality of our products to the close collaboration of our team with yours – will remain the same.
