

Together, we'll solve it.

### Willow Wood

*Alpha® SmartTemp™ Liner featuring Outlast®*

- Revolutionary level of comfort and temperature control to prosthetic liners
- Silicone liner absorbs and stores heat to delay the onset of sweating
- As the liner absorbs heat, the silicone softens to feel more like gel
- Retrofits with Alpha Liners of the same profiles

### Knit-Rite

**NEW**

*Ease by Therafirm® Gradient Compression Hosiery*

- Made with ultra stretchy yarns for ease in pulling on
- Very innovative, yet affordable, premium line
- Super soft, breathable material offers superior comfort for all-day wear
- Moisture wicking CoolMax® fibers provide dry comfortable coolness
- Delivers lab-tested true gradient compression to promote better blood flow, prevent mild to moderate swelling, and relieve tired, achy legs and feet

### Bledsoe

*Jet Pediatric Knee Brace*

- Designed specifically for children
- Shorter frame proportioned to child's leg
- Reduced hinge to match smaller knee
- Contoured frame to prevent brace migration
- Lightweight aluminum frame provides support, strength and durability
- Spacers allow adjustment for growth
- Colors – hot pink, neon green, black

**The products you need. The service you deserve.**

There are bigger O&P supply companies out there, sure. But you won't find one that cares more about its customers than PEL. Just ask the people who know us. Or better yet, get to know us yourself. [Learn more at pelsupply.com](http://pelsupply.com)

The Service You Deserve.
