

Together, we'll solve it.

Willow Wood

Alpha® SmartTemp™ Liner featuring Outlast®

- Revolutionary level of comfort and temperature control to prosthetic liners
- Silicone liner absorbs and stores heat to delay the onset of sweating
- As the liner absorbs heat, the silicone softens to feel more like gel
- Retrofits with Alpha Liners of the same profiles

Knit-Rite

Ease by Therafirm® Gradient Compression Hosiery

- Made with ultra stretchy yarns for ease in pulling on
- Very innovative, yet affordable, premium line
- Super soft, breathable material offers superior comfort for all-day wear
- Moisture wicking CoolMax® fibers provide dry comfortable coolness
- Delivers lab-tested true gradient compression to promote better blood flow, prevent mild to moderate swelling, and relieve tired, achy legs and feet

NEW

The products you need. The service you deserve.

There are bigger O&P supply companies out there, sure. But you won't find one that cares more about its customers than PEL. Just ask the people who know us. Or better yet, get to know us yourself. [Learn more at pelsupply.com](http://pelsupply.com)

The Service You Deserve.
