

125 kg / 275 lbs

PROTEOR invented the KEASY®, now we bring you **another innovation.**

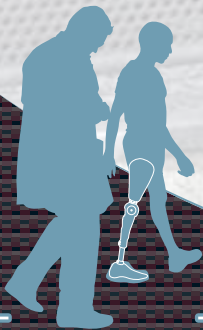

For the elderly amputees.

# GERY

**PATENTED**

**Do not look for comfort any more,  
enjoy it now !**

- Comfort :** soft EVA® foam and unique internal structure.
- Light weight :** the special foam contributes to make it 30% lighter than a S.A.C.H. foot.
- Easy step completion :** smooth rollover and symmetrical step of the sound leg.

**YOUR ROAD  
COMPANION**
