

"Sundance"

At South West Orthopedic Designs, we provide a wide range of styles in custom-molded ankle gauntlets. Our "Sundance" SCFO is just one example of how we strive to cater to your patient's needs. Lighter, slimmer, and with a lower profile than a standard AFO, the "Sundance" is designed for lesser pathologies and is competitively priced. Give us a call to request a product catalog, brochure and fabric samples (480-703-9433).
