Stance Flexion 5 bar
Mechanical Manual Locking Knee

In 2007, ST&G USA Corporation introduced the arrival of our first knee to the Green Family. Since then, this family of knees have grown to include six knees with the upcoming arrival of the L1324. The Green Family knee series are designed to be extremely stable with optimum strength and offer smooth and natural gait pattern. *This family has been awarded PDAC approved LCodes.*

Honored partnerships include:
